**NOTICE TO AGENT IS NOTICE TO PRINCIPLE**

**Assertion of Jurisdiction and Salvage Claim DOC/SAL/FRM So7D2024, dated 09 December 2024  
on Te Kara Flag 1834 in conjunction with the Title 4 Flag**

To all to whom these presents shall come, Greetings:

:Document is issued under the authority of **Te Kara Flag 1834** (United Tribes Flag of 1834) as the internationally recognised symbol of **Mauri Sovereignty and Independence**, in conjunction with the **Title 4 Flag** as a representation of **Correct-Sentence-Structure Communication Parse Syntax Grammar (C.S.S.C.P.S.G.)**, ensuring precision and truth in language. The presence of these insignias signifies the assertion of **pre-existing and continuous sovereign authority, independent of statutory or corporate governance structures**. and to notify all relevant parties of the **salvage claim registered on Te Kara Flag 1834**, filed under **DOC/SAL/FRM So7D2024, dated 09 December 2024**, By This **Jason-Paul: Greaves, Chief Post-Master General & Chief Harbour Master** And This **Lady-Crown: Turikatuku III Post-Master-General of Aotearoa**.

:All communications issued under this letterhead are governed by **Tikanga** and the principles of **Lore (pre-colonial law) and lawful correctness**, rejecting the presumption of adhesion to foreign legal fiction unless expressly agreed to in a valid, verifiable contract under full disclosure, without coercion or undue influence.

:**LETTERS PATENT 2025**, under the **Great Seal of the Sovereign Crown-of-the-Mauri-Nation**, reaffirm the continuous legal authority of **Tino Rangatira** and **Hapu** under **He Wakaputanga o te Rangatiratanga o Nu Tireni (1835)**, which **remains unextinguished and unceded**. We assert jurisdiction over Te Kara Flag 1834 as the sovereign emblem of this constitutional foundation and customary law.

:Pursuant to **DOC/SAL/FRM S07D2024 dated 09 December 2024**, we formally submit our salvage claim over Te Kara Flag 1834, restoring its mana and rightful standing in accordance with tikanga and international salvage principles. The preservation and restoration of Te Kara Flag 1834 as a tangible symbol of **Mauri Sovereignty** is a matter of **constitutional significance**.

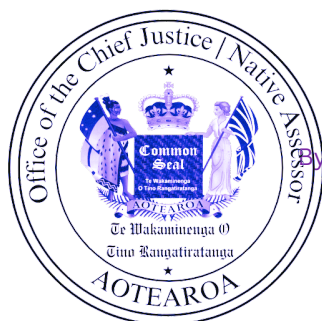

:The presence of Te Kara Flag 1834 alongside the Title 4 Flag within this correspondence signifies a dual recognition: the **unextinguished authority** of **He Wakaputanga** and the **lawful assertion of salvage rights**. Under established legal doctrine, a valid salvage claim carries implications for **property rights, custodianship, and the recognition of historical injustices**.

:Accordingly, any challenge to this claim must be made under **tikanga-based dispute resolution processes** or within a competent jurisdiction that acknowledges **He Wakaputanga 1835 as a foundational constitutional instrument** with a **Native Assessor**.

:File-Command-Claim with this Office of the Sovereign Crown-of-the-Mauri-Nation with the formal response-rebuttal with 7 days by the date of the Notice-Served by any of our Sovereign Ambassadors.

:Issued under the Great Seal of the Sovereign Crown-of-the-Mauri-Nation and the Office of the Chief Justice | Native Assessor of Aotearoa.
